Tender Document

Ketley Brick

Dreadnought Road

Pensnett

Brierley Hill

West Midlands

DT5 4TH

Please see below brief details and descriptions of proposed project to renovate and refurbish one of our existing brick kilns.

Project Brief:

To supply and install a full refurbishment of our brick kiln to include:

The removal and reinstation of kiln bench wall and burner pillars

The removal and reinstation of kiln side walls

The removal and reinstation of modules to kiln doors

The removal and reinstation of kiln roof

Objective

To improve the thermal efficiency of our brick kiln, reducing energy consumption and carbon emissions.

Further details available on request
